

## Tom Lowery

Tom Lowery who plays for Mansfield's under 16 side has gained a place in the Leicester Tigers academy. Tom has played at Mansfield since the 2001/02 season at under 9's, and has shown continual development. Tom was involved in the Nottinghamshire County set up from under 14's and from there he progressed in to the NLD sides and EPDG. Tom has represented Leicester Tigers U16 on two occasions already through his links with the EPDG, and from this he was invited to attend the final Under 16 divisional festival, played in front of the England selectors.

Tom will combine his education and the high level of coaching required to continue the route of becoming a professional rugby player.

We at Mansfield Rugby Club wish Tom all the best for the future, and look forward to seeing him one day gracing our television screens.
